

EFFECTIVE IMMEDIATELY, Caring for Women Ultrasound department will be open Monday – Friday 7:30am - 4:00pm

Effective 3/24/2020 outpatient Medical Imaging services will postpone all non-urgent procedures after consulting with the referring provider.

The Medical Imaging Centralized scheduling team will contact providers and/or patients to identify those referrals that may be postponed until May 2020 or later.

The Medical Imaging department will continue to provide imaging services for Hematology/Oncology patients, PET CT Services, and emergent CT/Ultrasound/MRI/Nuclear Medicine/ and Cardiology services.

Diagnostic mammography referrals will be scheduled until all events are resolved.

Screening mammography, bone densitometry, fluoroscopy, EEG, PFT, non-urgent Biopsies, and arthrograms will be postponed.

Please be aware this is subject to change as circumstances evolve.
